Victoria, BC newest home to LASIK MD and affordable, world-class laser vision correction

Victoria, BC, February 26, 2012 - LASIK MD, Canada's only national provider of laser vision correction, is pleased to announce the opening of its newest clinic in Victoria, British Columbia. The clinic opens today as the company's 30th in Canada and fourth in British Columbia.

"We've been offering Laser Vision Correction in British Columbia since 2004 at our downtown Vancouver location," said Dr. Mark Cohen, LASIK MD president and co-founder. "We're excited about our new LASIK MD clinic in Victoria because it—along with our Nanaimo clinic—will help us to better serve our patients on Vancouver Island."

LASIK MD provides a free, comprehensive eye examination, using state-of-the-art diagnostic equipment, to determine if the patient is a good LASIK candidate. LASIK MD's team of professionals will consult with candidates and recommend treatment options best suited to their needs. Prices start at \$490 per eye, with multiple financing options available, and are all backed by the 'LASIK MD Lowest Price Guarantee'.

The Victoria clinic is staffed with a team of experienced professionals who specialize in Laser Vision Correction. "We are pleased to have well-known, highly experienced surgeons, including Dr. Paul Denton, Dr. Richard Léger, Dr. Mike Dorey and Dr. Kam Mohaseb working with us in Victoria," said Dr. Avi Wallerstein, LASIK MD co-founder and co-national medical director.

The clinic is located at 1675 Douglas Street, Store 102-104.
